The Coeur d'Alene Firefighters, IAFF L710 is proud to endorse Bob Norris for Kootenai County Sheriff.

Bob relocated to Kootenai County after a career with the Los Angeles County Sheriff Office. During his many years at the LASO, his experience was well rounded. Working as a deputy, in the jail, Sergeant, Lieutenant and then in counter terrorism, he retained the value of that experience. Bob's experience could prove immeasurable as Kootenai County absorbs growth and transitions into the future.

Bob understands that improving the service provided to our community begins at the backbone of the Kootenai County Sheriff's Office, the employees. Recruiting new people excited to serve, while providing a work environment that retains seasoned employees trained and equipped right here in Kootenai County.

Bob honors the legacy of the past Sheriffs, values the successes that the KCSO has enjoyed as well as grasping the challenges ahead. The Coeur d'Alene Firefighters are proud to stand with the Kootenai County Deputy Sheriff's Association members and endorse Bob Norris for Kootenai County Sheriff.

Sincerely,

Brian Judge,

President
